## Additional information

### Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telecommunications, high-speed internet, video, and local and long distance services. Visit [Verizon.com](http://Verizon.com) for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9958 or online at [vzw.com/myprivacy](http://vzw.com/myprivacy).

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

### Important Information Regarding Your Customer Agreement

Verizon has updated parts of your Customer Agreement. In the "My Services" section we clarified that by using your Service you are agreeing to all applicable terms and conditions for your Service, including, but not limited to, the terms described in the Important Plan Information. In the "My Privacy" section we emphasized that when you access third-party services, including any which Verizon may make available, you are subject to the terms of service and privacy policy(ies) of those third party provider(s) when using their services. In the "Billing and Payments" section we clarified the returned payment fee that you will be charged if your check or electronic bank payment to Verizon is returned as not payable; the fee will be the lesser of \$30 or the maximum allowable by law. We also added a "Backup Payment Agreement" section pursuant to which we describe how your credit card may be used to pay outstanding balances in the event your account is closed but remains unpaid. In the "DISCLAIMER OF WARRANTIES" section we clarified that Verizon does not guarantee that all features of your wireless device will work as designed on the Verizon network.

### FUSC Change

The Federal Universal Service Charge (FUSC) is a Verizon Wireless charge that is subject to change each calendar quarter based on contribution rates prescribed by the FCC. On April 1, 2022, the FUSC decreased to 7.26% of assessable wireless charges, other than separately billed interstate and international telecom charges. The FUSC on separately billed interstate and international telecom charges decreased to 23.80%. For more details, please call 1-866-664-1688.

### Service Plan Features & Services

If your service plan has optional features or services that are included as part of your monthly subscription, selecting to activate these subscriptions may affect your surcharges, taxes and governmental fees, even though your plan monthly service price does not change. Examples of these features are Apple Music or the Disney bundle.

## Additional information

### Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay, including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we or our agents pay local telephone companies for delivering calls from our customers to their customers, fees and assessments on our network facilities and services, property taxes, and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

### Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

### Everyone deserves to stay connected

We're keeping people connected by participating in the FCC's Affordable Connectivity Program. Qualifying households will be able to get up to \$30/mo off select mobile and home internet plans. For program details, visit [go.vzw.com/acp](http://go.vzw.com/acp).

### Surcharges

These cover the costs that are billed to us by federal, state or local governments so we can continue to provide you with the best services. See the full breakdown on [go.vzw.com/mybill](http://go.vzw.com/mybill).

### Taxes and Gov fees

We are required by law to collect these charges, which are based on your service address. You can update your service address on [go.vzw.com/changeaddress](http://go.vzw.com/changeaddress).

### Important Update To Our Basic Voicemail

A feature currently available on our basic voicemail platform allows messages to be sent directly to customers' mailboxes without their phones ever ringing. This practice has been used as an unauthorized marketing tool to send pre-recorded messages to our customers.

Billing period Mar 26, 2022 to Apr 25, 2022 | Account # [REDACTED] | Invoice # 9482144063

## Additional information

In an effort to improve the customer experience for this feature and reduce unwanted messages, an enhancement will be implemented and effective on May 16, 2022. Recorded messages will be limited to one mailbox destination per voicemail retrieval call session rather than allowing for the sending to multiple mailbox destinations for the same message. This enhancement will not apply to visual voicemail (basic or premium) on devices.
